NORANDEX[™]
EXTERIOR PRODUCTS FOR YOUR HOME

Norandex is proud of the quality and workmanship of our products and your complete satisfaction is important to us. We are pleased to offer you the following Limited Lifetime Warranty on our products for materials and workmanship from the date of installation at no additional cost to you! Of course, as you would expect, our warranty does not cover normal wear and tear, or damages resulting from misuse, abuse, neglect or improper maintenance, and alterations or damages caused by others.

Unit Components

Norandex warrants to the original single-family homeowner that products manufactured by Norandex will be free of defects in parts (including screens) and workmanship under normal use and service for as long as you own and reside in the home in which the Norandex products were installed.

Insulated Glass

The insulated glass portion of the window is warranted not to “fail” under normal use and service for the lifetime of the product (excluding: fire, flood, earthquake, lightning, ice, windstorms, hail or other Acts of God). A “failed” unit is one that develops a significant obstruction of vision resulting from a moisture film formation or dust collection between the interior glass surfaces of the unit caused by a failure of the hermetic seal. Small marks, scratches and spots which do not exceed company standards or federal government specifications DD-G-451D or ASTM C1036 Standard Specification for Flat Glass, do not make insulated glass units defective.

Insulated Glass Warranty Coverage

The insulated glass portion of the window is warranted not to “fail” under normal use and service for the lifetime of the product (excluding: fire, flood, earthquake, lightning, ice, windstorms, hail or other acts of God). A “failed” unit is one that develops a significant obstruction of vision resulting from a moisture film formation or dust collection between the interior glass surfaces of the unit caused by a failure of the hermetic seal. Small marks, scratches and spots which do not exceed company standards or federal government specifications DD-G-451D or ASTM C1036 Standard Specification for Flat Glass, do not make insulated glass units defective.

Glass Breakage

Your Norandex windows are warranted against accidental glass breakage for as long as you own and reside in the single family home in which the Norandex products were installed. NOTE: This warranty against accidental breakage does not apply to Garden window, tempered or specialty glass products.

Repair Procedure

This warranty is limited to Norandex, at its option, either (i) repairing and/or replacing any defective parts (color matching not guaranteed), or (ii) in lieu of repair or replacement, refunding the amount paid by the original single-family homeowner for the Norandex product (excluding installation costs).

Product Changes

Norandex reserves the right to discontinue or change any product it manufactures. If the part or component of the product originally installed is not available and Norandex determines to make replacement, Norandex shall have the right to substitute such part or component designated by Norandex to be of equal quality and price.

Commercial Applications

If Norandex products are installed in non-owner multifamily occupied dwellings or used for commercial purposes such as schools, churches, government owned structures, office buildings, etc., then this warranty will be limited to 10 years, excluding labor.

Limitations

ALL IMPLIED WARRANTIES INCLUDING MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WILL EXPIRE WITH THE TERM OF THIS LIMITED WARRANTY. Norandex EXCLUDES AND WILL NOT PAY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES AND ITS LIABILITY WILL IN ALL INSTANCES BE LIMITED TO REPAIR OR REPLACEMENT OR REFUND OF ACTUAL PURCHASE PRICE OF THE DEFECTIVE PRODUCT. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitation of the duration of an implied warranty. This limited warranty is only applicable in the USA. This limited warranty gives you specific legal rights, and you may also have other rights, which may vary, from state to state. This limited warranty may not be changed or modified by any representative of the manufacturer or its distributors or dealers.

Condensation, Mold & Mildew

Condensation on the glass surface is a natural result of excess moisture in the house and does not indicate a defective product or faulty installation. Maintaining proper household humidity levels may prevent problems such as mold, mildew and related health risks. In no event shall Norandex be liable for any damages, including special, incidental or consequential damages, resulting from condensation, mold or mildew. IF YOU BECOME AWARE OF PERSISTENT CONDENSATION ON YOUR WINDOWS YOU SHOULD TAKE IMMEDIATE REMEDIAL ACTION TO PREVENT WATER, MOLD AND/OR MILDEW DAMAGE TO YOUR PROPERTY AND POTENTIAL HEALTH RISKS.

Vinyl Color

Color change due to normal weathering is excluded from this warranty. Normal weathering is defined as any exposure to ultraviolet (sun) light, weather and atmospheric conditions which will cause any colored or painted surface to fade, darken, chalk or acquire a surface accumulation of dirt or stains. The severity of these conditions depends on air quality, location of your home and other local conditions.

Paint and Laminate Color

Norandex warrants that, for a period of ten (10) years from the date of purchase, the coating (paint and/or laminate) applied to vinyl (PVC) by Norandex will not crack, pit, peel, blister or suffer non-uniform fading discoloration (non-uniform fading discoloration from unequal exposure of surfaces to the sun and elements is not covered by this warranty).
